

Experience Moremi Crossing
OKAVANGO DELTA

Moremi Crossing is a 16 tent, eco-friendly camp built on a palm fringed island surrounded by the Moremi's game-rich seasonal floodplains and overlooking Chief's Island. Moremi Crossing is a new style safari camp combining luxury with simplicity. This is a 100% eco-friendly development featuring the latest in solar and waste disposal technology.

Activities

Become part of the bustling river life along the papyrus clad banks of the Okavango Delta. Explore the wilderness with our game drives, guided bush walks, or sit back and absorb the scenery from a traditional 'mokoro' canoe. Another great way to explore the crystal clear channels of the Boro River is by motor-boat. Watch the sun set while drifting along a lagoon and sipping on sundowners. For the adventurous, we also offer a rustic island camping experience. Game drives will be available only when water levels are low. There will be no game drives when water levels are high as areas of the concession become inaccessible. Mokoros, boat cruises & fishing are also water level dependent.

En-suite Tents

Accommodation consists of 16 en suite and spacious tents on raised decks, each with their own veranda overlooking Chief's Island. Tents have their own eco-friendly outdoor shower heated by

solar power. We have both a Family Tent sleeping four (2 adults and 2 children) and a Honeymoon Tent with an outdoor bath.

Facilities

The main building consists of a large open plan deck that has a spectacular view over the Boro River onto Chief's Island. This crescent-shaped area is built on different levels to give you the feeling of

space. The dining room, bar and lounge are covered by a large thatched roof that hugs the tree line. Various small private lounge areas have been created for comfort, privacy and spaciousness.
