GENERAL INFORMATION

Camp Moremi has a well-deserved legacy in the Botswana tourism industry for being able to deliver the classic African safari experience.

Completely rebuilt in 2018 as a modern luxury safari lodge, Camp Moremi is located within the world-renowned Moremi Game Reserve.

Our team of experienced Professional guides will introduce you to a whole new world of wildlife; watch a Leopard stretched out lazily in the branches of a Mopane tree, herds of Elephant grazing under a canopy of green or a pride of Lions camouflaged in the long grass.

Moremi Game Reserve's incredible wetlands support a vast number of antelope, including Impala, Kudu and Waterbuck. Birdlife is prolific and the majestic Fish Eagle and vivid Malachite Kingfisher are frequently seen and even the rare Pel's Fishing Owl makes an occasional appearance, to the delight of guides and guests alike.

GENERAL INFORMATION

Xugana Lagoon is widely recognised as one of the most spectacular permanent water sites in the Okavango Delta, which itself is Africa's largest and most awe-inspiring oasis. The Okavango River rises in the highlands of Angola yet never reaches the sea; instead, its immense waters empty over the sands of the Kalahari, where the great thirst of the desert is quenched in a wilderness of freshwater lagoons, channels, and islands.

Xugana Island Lodge is situated on a private concession and takes full advantage of this magnificent site. An expansive deck and alfresco dining area overlooks the vast, pristine body of water that makes up the permanent Okavango Delta.
